- (i) the proposed installation location of the Solar Energy Device; and
- (ii) a description of the Solar Energy Device, including the dimensions, manufacturer, and photograph or other accurate depiction (the "**Solar Application**"). A Solar Application may only be submitted by an Owner unless the Owner's tenant provides written confirmation at the time of submission that the Owner consents to the Solar Application. The Solar Application shall be submitted in accordance with the provisions of this Declaration.

3.10.2 Approval Process. The ACC will review the Solar Application in accordance with the terms and provisions of this Declaration. The ACC will approve a Solar Energy Device if the Solar Application complies the requirements set forth herein **UNLESS** the ACC makes a written determination that placement of the Solar Energy Device, despite compliance with this Declaration, will create a condition that substantially interferes with the use and enjoyment of property within the Property by causing unreasonable discomfort or annoyance to persons of ordinary sensibilities. The ACC's right to make a written determination in accordance with the foregoing sentence is negated if all Owners of Lots immediately adjacent to the Owner/applicant provide written approval of the proposed placement. Any proposal to install a Solar Energy Device on Common Area or property owned or maintained by the Association must be approved in advance and in writing by the Board, and the Board need not adhere to this *Section 3.9* when considering any such request.

3.10.3 **Approval Conditions.** Unless otherwise approved in advance and in writing by the ACC, each Solar Application and each Solar Energy Device to be installed in accordance therewith must comply with the following:

- (i) The Solar Energy Device must be located on the roof of the Residence located on the Owner's Lot, entirely within a fenced area of the Owner's Lot, or entirely within a fenced patio located on the Owner's Lot.

If the Solar Energy Device will be located on the roof of the Residence, the ACC may designate the location for placement unless the location proposed by the Owner increases the estimated annual energy production of the Solar Energy Device, as determined by using a publicly available modeling tool provided by the National Renewable Energy Laboratory, by more than ten (10%) percent above the energy production of the Solar Energy Device if installed in the location designated by the ACC. If the Owner desires to contest the alternate location proposed by the ACC, the Owner should submit information to the ACC which demonstrates that the Owner's proposed location meets the foregoing criteria. If the Solar Energy Device will be located in the fenced area of the Owner's Lot or patio, no portion of the Solar Energy Device may extend above the fence line.

- (ii) If the Solar Energy Device is mounted on the roof of the principal Residence located on the Owner's Lot, then: (A) the Solar Energy Device may not extend higher than or beyond the roofline; (B) the Solar Energy Device must conform to the slope of the roof and the top edge of the Solar Device must be parallel to the roofline; (C) the frame, support brackets, or visible piping or wiring associated with the Solar Energy Device must coordinate with the roofing material.

3.11 **Rainwater Harvesting Systems.** Rain barrels or rainwater harvesting systems (a "Rainwater Harvesting System") may be installed with the advance written approval of the ACC.

Application. To obtain ACC approval of a Rainwater Harvesting System, the Owner shall provide the ACC with the following information:

- (i) the proposed installation location of the Rainwater Harvesting System; and
- (ii) a description of the Rainwater Harvesting System, including the color, dimensions, manufacturer, and photograph or other accurate depiction (the "**Rain System Application**"). A Rain System Application may only be submitted by an Owner unless the Owner's tenant provides written confirmation at the time of submission that the Owner consents to the Rain System Application.

3.11.2 **Approval Process.** The decision of the ACC will be made in accordance with *Article 7* of this Declaration. Any proposal to install a Rainwater Harvesting System on Common Area must be approved in advance and in writing by the Board, and the Board need not adhere to this *Section 3.10* when considering any such request.

3.11.3 **Approval Conditions.** Unless otherwise approved in advance and in writing by the ACC, each Rain System Application and each Rainwater Harvesting System to be installed in accordance therewith must comply with the following:

- (i) The Rainwater Harvesting System must be consistent with the color scheme of the Residence constructed on the Owner's Lot, as reasonably determined by the ACC.
- (ii) The Rainwater Harvesting System does not include any language or other content that is not typically displayed on such a device.
- (iii) The Rainwater Harvesting System is in no event located between the front of the Residence constructed on the Owner's Lot and any adjoining or adjacent street.
- (iv) There is sufficient area on the Owner's Lot to install the Rainwater Harvesting System, as reasonably determined by the ACC. See *Section 3.10.4* for additional guidance.

3.11.4 **Guidelines.** If the Rainwater Harvesting System will be installed on or within the side yard of a Lot, or would otherwise be visible from a street, Common Area, or another Owner's Lot, the ACC may regulate the size, type, shielding of, and materials used in the construction of the Rainwater Harvesting System.

3.11.5 **Xeriscaping.** As part of the installation and maintenance of landscaping on an Owner's Lot, an Owner may submit plans for and install drought tolerant landscaping ("Xeriscaping") upon written approval by the ACC. Approval by the ACC is required prior to installing Xeriscaping..

3.11.6 **Approval Conditions.** Unless otherwise approved in advance and in writing by the ACC, each Xeriscaping Application and all Xeriscaping to be installed in accordance therewith must comply with the following:

- (i) The Xeriscaping must be aesthetically compatible with other landscaping in the community as reasonably determined by the ACC. For purposes of this *Section 3.11*, "aesthetically compatible" shall mean overall and long-term aesthetic compatibility within the community. For example, an Owner's Lot plan may be denied if the ACC determines that: a) the proposed Xeriscaping would not be harmonious with already established turf and landscaping in the overall community; and/or b) the use of specific turf or plant materials would result in

damage to or cause deterioration of the turf or landscaping of an adjacent property owner, resulting in a reduction of aesthetic appeal of the adjacent property Owner's Lot.

- (ii) No Owners shall install gravel, rocks or cacti that in the aggregate encompass over ten percent (10%) of such Owner's front yard or ten percent (10%) of such Owner's back yard, if visible.

The Association will have the power and authority from time to time, in its own name and on its own behalf, or in the name of and on behalf of any Owner who consents thereto, to commence and maintain actions and suits to enforce, by mandatory injunction or otherwise, or to restrain and enjoin, any breach or threatened breach of the Restrictions. The Association is also authorized to settle claims, enforce liens and take all such action as it may deem necessary or expedient to enforce the Restrictions.

The Association may not alter or demolish any Improvements on any Lot other than Common Area in enforcing these Restrictions before a judicial order authorizing such action has been obtained by the Association, or before the written consent of the Owner(s) of the affected Lot(s) has been obtained.

EACH SUCH OWNER AND RESIDENT WILL RELEASE AND HOLD HARMLESS THE ASSOCIATION, ITS OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASON OF THE ASSOCIATION'S ACTS OR ACTIVITIES UNDER THIS SECTION (INCLUDING ANY COST, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING OUT OF THE ASSOCIATION'S NEGLIGENCE IN CONNECTION THEREWITH), EXCEPT FOR SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING BY REASON OF THE ASSOCIATION'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. In addition, the Board may adopt transfer fees, resale certificate fees or any other fees associated with the provision of management services to the Association or its Members.

Any decision by the Board to delay or defer the exercise of the power and authority granted by this *Section 4.5.15* will not subsequently in any way limit, impair or affect ability of the Board to exercise such power and authority.

4.6 Indemnification. To the fullest extent permitted by Applicable Law but without duplication (and subject to) any rights or benefits arising under the Certificate or Bylaws of the Association, the Association will indemnify any person who was, or is, a party, or is threatened to be made a party to any threatened pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that such person is, or was, a director, officer, or committee member against expenses, including attorneys' fees, reasonably incurred by such person in connection with such action, suit or proceeding if it is found and determined by the Board or a court of competent jurisdiction that he or she:

(1) acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Association; or

(2) with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by settlement, or upon a plea of *nolo contendere* or its equivalent, will not of itself create a presumption that the person did not act in good faith or in a manner which was reasonably believed to be in, or not opposed to, the best interests of the Association or, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful. These indemnification provisions only pertain to directors, officers, or committee members who are acting in such capacity on or after the date this Declaration is approved.

4.7 Insurance. The Board may purchase and cause to be maintained, at the expense of the Association, insurance on behalf of any person who is acting as a director, officer, committee member, employee, servant or agent of the Association against any liability asserted against or incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Association would have the power to indemnify such person against such liability or otherwise.

The Association shall not be liable to any Owner or Resident of any Lot for loss or damage, by theft or otherwise, of any property, which may be stored in or upon any of the Common Area or any Lot. The Association shall not be liable to any Owner or Resident, for any damage or injury caused in whole or in part by the Association's failure to discharge its responsibilities under this Declaration. No diminution or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken or performed by the Association under this Declaration or for inconvenience or discomfort arising from the making of repairs or Improvements which are the

responsibility of the Association or from any action taken by the Association to comply with any law ordinance or with any order or directive of any municipal or other governmental authority

ARTICLE 5 RESTORATION AND REPAIR

5.1 Restoration. In the event of any fire or other casualty, unless otherwise approved by the ACC, the Owner will (i) promptly repair, restore and replace any damaged or destroyed structures to their same exterior condition existing prior to the damage or destruction thereof, or (ii) in the case of substantial or total damage or destruction of any Improvement, remove all such damaged Improvements and debris from the Property within sixty (60) days, or a period of time agreed to by the ACC, after the occurrence of such damage. Such repair, restoration or replacement will be commenced and completed in a good and workmanlike manner using exterior materials substantially similar to those originally used in the structures damaged or destroyed.

ARTICLE 6 COVENANT FOR ASSESSMENTS

6.1 Assessments.

6.1.1 Established by the Board. Assessments established by the Board pursuant to the provisions of this *Article 6* will be levied against each Lot. The total amount of Assessments will be determined by the Board.

6.1.2 Assessment Use Restriction. Assessments may not be levied, collected, charged, or used for the purposes of paying any costs of the development of the Property, which is deemed to include: (a) the platting and subdividing of the Property; or (b) the construction of streets, roadways, curbs, utility infrastructure, detention, filtration, or water quality ponds, sidewalks, gutters or other related improvements.

6.1.3 Personal Obligation; Lien. Each Assessment, together with such interest thereon and costs of collection as hereinafter provided, will be the personal obligation of the Owner of the Lot against which the Assessment is levied and will be secured by a lien against each such Lot and all Improvements thereon. The Association may enforce payment of such Assessments in accordance with the provisions of this Article.

6.2 Assessment Fund. The funds of the Association may be used for any purpose authorized by the Restrictions and Applicable Law.

6.3 Regular Assessments. Prior to the beginning of each fiscal year, the Board will prepare a budget for the purpose of determining amounts sufficient to pay the estimated net expenses of the Association (the "**Regular Assessments**") which sets forth:

- (i) an estimate of the expenses to be incurred by the Association during such year in performing its functions and exercising its powers under the Restrictions; and

(ii) an estimate of the amount needed to maintain a reasonable provision for contingencies and an appropriate replacement reserve, and giving due consideration to any expected income and any surplus from the prior year's fund.

Regular Assessments sufficient to pay such estimated net expenses will then be levied at the level of Assessments set by the Board in its sole and absolute discretion, and the Board's determination will be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including nonpayment of any Assessment by any Owner, the Association may at any time, and from time to time, levy further Assessments in the same manner. All such Regular Assessments will be due and payable to the Association annually in such manner, and on such date, as the Board may designate in its sole and absolute discretion.

6.4 Individual Assessments. In addition to any other Assessments, the Board may levy an individual assessment (the "**Individual Assessment**") against an Owner and the Owner's Lot. Individual Assessments may include, but are not limited to: interest, late charges, and collection costs on delinquent Assessments; reimbursement for costs incurred in bringing an Owner or the Owner's Lot into compliance with this Declaration; fines for violations of the Restrictions; transfer-related fees and resale certificate fees; fees for estoppel letters and project documents; insurance deductibles; reimbursement for damage or waste caused by willful or negligent acts of the Owner, the Owner's guests, invitees or Residents of the Owner's Lot; common expenses that benefit fewer than all of the Lots, which may be assessed according to benefit received; fees or charges levied against the Association on a per-Lot basis; and "pass through" expenses for services to Lots provided through the Association and which are paid by each Lot according to the benefit received.

6.5 Amount of Assessment.

Assessments to be Levied. The Board shall levy Assessments against each "Assessment Unit" (as defined below) uniformly against all Lots. Lots that are combined or joined shall be assessed based on their original configuration as individual Lots.

Assessment Unit. Each Lot shall constitute one "Assessment Unit."

6.6 Late Charges. If any Assessment is not paid by the due date applicable thereto, the Owner responsible for the payment may be required by the Board, at the Board's election at any time and from time to time, to pay a late charge in such amount as the Board may designate, and the late charge (and any reasonable handling costs) will be levied as an Individual Assessment against the Lot owned by such Owner, collectible in the manner as provided for collection of Assessments, including foreclosure of the lien against such Lot; provided, however, such charge will never exceed the maximum charge permitted under Applicable Law.

6.7 Owner's Personal Obligation; Interest. Assessments levied as provided for herein will be the personal and individual debt of the Owner of the Lot against which are levied such Assessments. No Owner may exempt himself from liability for such Assessments. In the event of default in the payment of any such Assessment, the Owner of the Lot will be obligated to pay interest on the amount of the Assessment at the highest rate allowed by applicable usury laws then in effect on the amount of the Assessment from the due date therefor (or if there is no such highest rate, then

at the rate of one and one half percent (1½ %) per month), together with all late charges, if any, costs and expenses of collection, including reasonable attorney's fees. Such amounts will be levied as an Individual Assessment against the Lot owned by such Owner.

6.8 Assessment Lien and Foreclosure. The payment of all sums assessed in the manner provided in this Article is, together with late charges and all costs of collection, including attorney's fees as herein provided, secured by the continuing Assessment lien granted to the Association, and will bind each Lot in the hands of the Owner thereof, and such Owner's heirs, devisees, personal representatives, successors or assigns. The aforesaid lien will be superior to all other liens and charges against such Lot, except only for:

- (i) tax liens and governmental assessment liens;
- (ii) all sums secured by a Recorded first mortgage lien or Recorded first deed of trust lien of record, to the extent such lien secures sums borrowed for the acquisition or improvement of the Lot in question,
- (iii) home equity loans or home equity lines of credit which are secured by a Recorded second mortgage lien or Recorded second deed of trust lien of record; or
- (iv) as otherwise required by Applicable Law; provided that, in the case of subparagraphs (ii), (iii), and (iv) above, such Mortgage was Recorded before the delinquent Assessment was due.

The Association will have the power to subordinate the aforesaid Assessment lien to any other lien. Such power will be entirely discretionary with the Board, and such subordination shall be signed by an authorized officer, agent or attorney of the Association. The Association may, at its option and without prejudice to the priority or enforceability of the Assessment lien granted hereunder, prepare a written notice of Assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such lien and a description of the Lot. Such notice may be signed by one of the authorized officers, agents, or attorneys of the Association and will be Recorded. Each Owner, by accepting a deed or ownership interest to a Lot subject to this Declaration, will be deemed conclusively to have granted a power of sale to the Association to secure and enforce the Assessment lien granted hereunder.

The Assessment liens and rights to foreclosure thereof will be in addition to and not in substitution of any other rights and remedies the Association may have by law and under this Declaration, including the rights of the Association to institute suit against such Owner personally obligated to pay the Assessment and/or for foreclosure of the aforesaid lien. In any foreclosure proceeding, such Owner will be required to pay the costs, expenses and reasonable attorney's fees incurred.

The Association will have the power to bid (in cash or by credit against the amount secured by the lien) on the property at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. Upon the written request of any Mortgagee, the Association will report to said Mortgagee any unpaid Assessments remaining unpaid for longer than sixty (60) days after the same are due. The lien hereunder will not be

affected by the sale or transfer of any Lot; except, however, that in the event of foreclosure of any lien superior to the Assessment lien, the lien for any Assessments that were due and payable before the foreclosure sale will be extinguished, provided that past-due Assessments will be paid out of the proceeds of such foreclosure sale only to the extent that funds are available after the satisfaction of the indebtedness secured by the Mortgage.

The provisions of the preceding sentence will not, however, relieve any subsequent Owner (including any Mortgagee or other purchaser at a foreclosure sale) from paying Assessments becoming due and payable after the foreclosure sale. Upon payment of all sums secured by a lien, the Association will upon the request of the Owner, and at such Owner's cost, execute a release of lien relating to any lien for which written notice has been Recorded as provided above, except in circumstances in which the Association has already foreclosed such lien. Such release will be signed by an authorized officer, agent, or attorney of the Association.

Except as otherwise provided by Applicable Law, the sale or transfer of a Lot will not relieve the Owner of such Lot or such Owner's transferee from liability for any Assessments thereafter becoming due or from the lien associated therewith. If an Owner conveys its Lot and on the date of such conveyance Assessments against the Lot remain unpaid, or said Owner owes other sums or fees under this Declaration to the Association, the Owner will pay such amounts to the Association out of the sales price of the Lot, and such sums will be paid in preference to any other charges against the Lot other than liens superior to the Assessment lien and charges in favor of the State of Texas or a political subdivision thereof for taxes on the Lot which are due and unpaid. The Owner conveying such Lot will remain personally liable for all such sums until the same are fully paid, regardless of whether the transferee of the Lot also assumes the obligation to pay such amounts. The Board may adopt an administrative transfer fee to cover the expenses associated with updating the Association's records upon the transfer of a Lot to a third party.

Yes, the Association can foreclose on your Lot!
If you fail to pay assessments to the Association, you may lose title to your Lot if the Association forecloses its assessment lien.

6.9 Exempt Property. The following areas will be exempt from the Assessments provided for in this Article:

- (i) All area dedicated to and accepted by public authority; and
- (ii) The Common Area.

6.10 Fines and Damages Assessment.

6.10.1 **Board Assessment.** The Board may assess fines against an Owner for violations of the Restrictions which have been committed by an Owner, a Resident, or the Owner or Residents guests, agents or invitees pursuant to the Fine and Collection Policy adopted by the Board. Any fine and/or charge levied in accordance with this *Section 6.14* will be considered an Individual Assessment pursuant to this Declaration. Each day of violation may be considered a separate violation if the

violation continues after written notice to the Owner. The Board may assess damage charges against an Owner for pecuniary loss to the Association from property damage or destruction of Common Area, or any facilities caused by the Owner, Resident, or their guests, agents, or invitees. The Manager will have authority to send notices to alleged violators, informing them of their violations and asking them to comply with the Rules and Regulations and/or informing them of potential or probable fines or damage assessments. The Board may from time to time adopt a schedule of fines.

6.10.2 Lien Created. The payment of each fine and/or damage charge levied by the Board against the Owner of a Lot is, together with interest and all costs of collection, including attorney's fees, secured by the lien granted to the Association pursuant to this Declaration. The fine and/or damage charge will be considered an Assessment for the purpose of this Article and will be enforced in accordance with the terms and provisions governing the enforcement of assessments pursuant to this *Article 6*.

ARTICLE 7 ARCHITECTURAL CONTROL COMMITTEE

7.1 Construction of Improvements. No Improvement may be erected, placed, constructed, painted, altered, modified or remodeled on any Lot, and no Lot may be re-subdivided or consolidated with other Lots or Property, without the prior written approval of the ACC.

7.2 Architectural Control Committee.

7.2.1 Composition. The ACC will be composed of five (5) persons in accordance with the bylaws, who will review Improvements proposed to be made by any Owner. The ACC in place at the time this Declaration is approved will remain in place for the duration of each ACC member's term. Upon the expiration of an ACC member's term, the position will be filled in accordance with the bylaws to replace the ACC member whose term has expired. In the event of resignation, the ACC member position will be filled in accordance with the bylaws.

7.2.2 Submission and Approval of Plans and Specifications. Construction plans and specifications or, when an Owner desires solely to re-subdivide or consolidate Lots, a proposal for such re-subdivision or consolidation or any additional rules adopted by the ACC which is imposed by the ACC, at such address as may hereafter be designated in writing from time to time. No re-subdivision or consolidation will be made, nor any Improvement placed or allowed on any Lot, until the plans and specifications and the builder which the Owner intends to use to construct the proposed structure or Improvement have been approved in writing by a majority of the members of the ACC. The ACC may, in reviewing such plans and specifications consider any information that it deems proper; including, without limitation, any permits, environmental impact statements or percolation tests that may be required by the ACC or any other entity; and harmony of external design and location in relation to surrounding structures, topography, vegetation, and finished grade elevation. The ACC may postpone its review of any plans and specifications submitted for approval pending receipt of any information or material which the ACC, in its sole discretion, may require. Site plans must be approved by the ACC prior to the clearing of any Lot, or the construction of any Improvements. The ACC may refuse to approve plans and specifications for proposed Improvements,

or for the re-subdivision or consolidation of any Lot on any grounds that, in the sole and absolute discretion of the ACC, are deemed sufficient, including, but not limited to, purely aesthetic grounds.

7.2.3 The ACC will not be required to review any plans until a complete submittal package, as required by this Declaration is assembled and submitted to the ACC. The ACC will have the authority to adopt such additional procedural and substantive rules and guidelines (including, without limitation, the imposition of any requirements for certificates of compliance or completion relating to any Improvement and the right to approve in advance any contractor selected for the construction of Improvements), not in conflict with this Declaration, as it may deem necessary or appropriate in connection with the performance of its duties hereunder.

7.2.4 Actions of the Architectural Control Committee. The ACC may, by resolution unanimously adopted in writing, designate one or more of its members, or an agent acting on its behalf, to take any action or perform any duties for and on behalf of the ACC, except the granting of variances. In the absence of such designation, the vote of a Majority of all of the members of the ACC taken at a duly constituted meeting will constitute an act of the ACC.

7.2.5 Failure to Act. In the event that any plans and specifications are submitted to the ACC as provided herein, and the ACC fails either to approve or reject such plans and specifications for a period of sixty (60) days following such submission, acceptance of such plans and specifications by the ACC will **NOT** be presumed. In furtherance, and not in limitation, of the foregoing, any failure of the Board to act upon a request for a variance will not be deemed a consent to such variance, and the Board's written approval of all requests for variances will be expressly required.

7.2.6 Variances. The Board may grant variances from compliance with any of the provisions of this Declaration, when, in the opinion of the Board, such variance is justified. All variances must be evidenced in writing and must be signed by at least a Majority of the members of the Board. Each variance must also be Recorded; provided however, that failure to record a variance will not affect the validity thereof or give rise to any claim or cause of action against the ACC, the Association, or the Board.

7.2.7 Duration of Approval. The approval of the ACC of any plans and specifications, and any variances granted by the ACC, will be valid for a period of one hundred and eighty (180) days only. If construction in accordance with such plans and specifications or variance is not commenced within such one hundred and eighty (180) day period and diligently prosecuted to completion within either:

- (i) one year after issuance of approval of such plans and specifications; or
- (ii) such other period thereafter as determined by the ACC, in its sole and absolute discretion, the Owner will be required to resubmit such plans and specifications or request for a variance to the ACC, and the ACC will have the authority to re-evaluate such plans and specifications in accordance with this *Section 7.2.7* and may, in addition, consider any change in circumstances which may have occurred since the time of the original approval.

7.2.8 No Waiver of Future Approvals. The approval of the ACC to any plans or specifications for any work done or proposed in connection with any matter requiring the approval or consent of the ACC will not be deemed to constitute a waiver of any right to withhold approval or consent as to any plans and specifications on any other matter, subsequently or additionally submitted for approval by the same or a different person, nor will such approval or consent be deemed to establish a precedent for future approvals by the ACC.

7.2.9 Non-Liability of Committee Members. NEITHER THE BOARD, THE ARCHITECTURAL CONTROL COMMITTEE, NOR ANY MEMBER WILL BE LIABLE TO ANY OWNER OR TO ANY OTHER PERSON FOR ANY LOSS, DAMAGE OR INJURY ARISING OUT OF THE PERFORMANCE OF THE ARCHITECTURAL CONTROL COMMITTEE'S DUTIES UNDER THIS DECLARATION.

ARTICLE 8 GENERAL PROVISIONS

8.1 Term. The terms, covenants, conditions, restrictions, easements, charges, and liens set out in this Declaration will run with and bind the Property, and will inure to the benefit of and be enforceable by the Association, and every Owner, and their respective legal representatives, heirs, successors, and assigns, for a term beginning on the date this Declaration is Recorded, and continuing through and including January 1, 2065, after which time this Declaration will be automatically extended for successive periods of ten (10) years unless a change (the word "change" meaning a termination, or change of term or renewal term) is approved in a resolution adopted by Members entitled to cast at least sixty-seven percent (67%) of the total number of votes of the Association, voting in person or by proxy at a meeting duly called for such purpose, written notice of which will be given to all Members at least thirty (30) days in advance and will set forth the purpose of such meeting; provided, however, that such change will be effective only upon the Recording of a certified copy of such resolution. The foregoing sentence shall in no way be interpreted to mean sixty-seven percent (67%) of a quorum as established pursuant to the Bylaws. Notwithstanding any provision in this Section to the contrary, if any provision of this Declaration would be unlawful, void, or voidable by reason of any Applicable Law restricting the period of time that covenants on land may be enforced, such provision will expire twenty-one (21) years after the death of the last survivor of the now living, as of the date that this document is first Recorded, descendants of Elizabeth II, Queen of England.

8.2 Amendment. This Declaration may be amended or terminated by the Recording of an instrument executed and acknowledged by: (i) by the president and secretary of the Association setting forth the amendment and certifying that such amendment has been approved by Members entitled to cast at least sixty-seven percent (67%) of the total number of votes entitled to be cast by members of the Association. The foregoing sentence shall in no way be interpreted to mean sixty-seven percent (67%) of a quorum as established pursuant to the Bylaws.

8.3 Enforcement. The Association will have the right to enforce, by a proceeding at law or in equity, the Restrictions. The Association may initiate, defend or intervene in any action brought to enforce any provision of the Restrictions. Such right of enforcement will include both damages for and injunctive relief against the breach of any provision hereof. Every act or omission whereby any

provision of the Restrictions is violated, in whole or in part, is hereby declared to be a nuisance and may be enjoined or abated by any Owner of a Lot (at such Owner's own expense) or the Association. Any violation of any Applicable Law pertaining to the ownership, occupancy, or use of any portion of the Property is hereby declared to be a violation of this Declaration and subject to all of the enforcement procedures set forth herein. Failure to enforce any right, provision, covenant, or condition set forth in the Restrictions will not constitute a waiver of the right to enforce such right, provision, covenants or condition in the future. Failure of the Association to enforce the terms and provisions of the Restrictions shall in no event give rise to any claim or liability against the Association, or any of their directors, officers, or agents.

EACH OWNER, BY ACCEPTING TITLE TO ALL OR ANY PORTION OF THE PROPERTY, HEREBY RELEASES AND SHALL HOLD HARMLESS THE ASSOCIATION, AND ITS DIRECTORS, OFFICERS, OR AGENTS FROM AND AGAINST ANY DAMAGES, CLAIMS, OR LIABILITY ASSOCIATED WITH THE FAILURE OF THE ASSOCIATION TO ENFORCE THE TERMS AND PROVISIONS OF THE RESTRICTIONS.

8.4 Higher Authority. The terms and provisions of this Declaration are subordinate to Applicable Law.

8.5 Severability. If any provision of this Declaration is held to be invalid by any court of competent jurisdiction, such invalidity will not affect the validity of any other provision of this Declaration, or, to the extent permitted by Applicable Law, the validity of such provision as applied to any other person or entity.

8.6 Conflicts. If there is any conflict between the provisions of this Declaration, the Certificate, the Bylaws, or any Rules and Regulations adopted pursuant to the terms of such documents, the provisions of this Declaration, the Certificate, the Bylaws, and the Rules and Regulations, in such order, will govern.

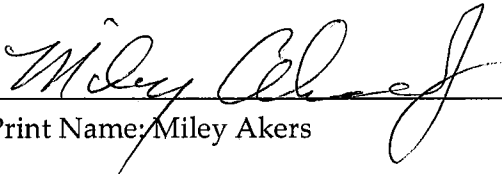

8.7 Acceptance by Grantees. Each grantee of a Lot or other real property interest in the Property, by the acceptance of a deed of conveyance, or each subsequent purchaser, accepts the same subject to all terms, restrictions, conditions, covenants, and the jurisdiction rights and powers created or reserved by this Declaration or to whom this Declaration is subject, and all rights, benefits and privileges of every character hereby granted, created, reserved or declared. All impositions and obligations hereby imposed will constitute covenants running with the land within the Property, and will bind any person having at any time any interest or estate in the Property, and will inure to the benefit of each Owner in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance.

8.8 Notices. Any notice permitted or required to be given to any person by this Declaration will be in writing and may be delivered either personally or by mail, or as otherwise required by Applicable Law. If delivery is made by mail, it will be deemed to have been delivered on the third (3rd) day (other than a Sunday or legal holiday) after a copy of the same has been deposited in the United States mail.
